Abandoned Firearms Agreement

M*CARBO's abandoned property policy for gunsmith repair firearms and firearm transfers:

- A customer will be notified multiple times via email and phone call that a firearm is completed or that it has been received in store, **the customer will have 30 days** to pick up or provide shipping information for their firearm and/or merchandise after the service is completed.
- **After 30 days, the customer will be assessed a \$10/day storage fee** until the firearm and/or merchandise is picked up or the value of the firearm or cost of labor has been collected.
- **Once the storage fees exceed the cost of labor and/or value of the firearm, the firearm will be considered abandoned.**
- Once the firearm is considered abandoned, the customer will be contacted one final time via certified mail; considered the final notice. **After 10 calendar days the firearm will be put on the website for resale.**
